From: Director, Military Personnel Plans and Policy (N13)
To: President, FY-23 Active Duty LDO/CWO In-Service Procurement Selection Board

Subj: FISCAL YEAR 2023 ACTIVE LIMITED DUTY OFFICER AND CHIEF WARRANT OFFICER SELECTION BOARD QUOTAS

Encl: (1) FY-23 Active Duty LDO Selection Quota Plan
(2) FY-23 Active Duty CWO Selection Quota Plan
(3) FY-23 Active Duty LDO/CWO Primary Discrete Requirements

1. This memorandum provides policy guidance and quota authorizations for the fiscal year (FY)-2023 active limited duty officer (LDO) and chief warrant officer (CWO) in-service procurement selection board that convenes on 10 January 2022. Selectees will be commissioned 1 October 2022 through 1 September 2023.
2. The board is authorized to select numbers specified in enclosure (1) for appointment to LDO in the grade of ensign, and to select numbers specified in enclosure (2) for appointment to WO1 and CWO (W-2/W-3). The board will rank primary and alternate selects on separate LDO and CWO lists in descending order. Alternate selects are required to satisfy officer requirements should a primary select later decline to accept, is found not eligible for appointment, or to satisfy emergent billet growth requirements in specific designators and to meet other community needs as determined by OPNAV N13 and the accession demand planning (ADP) cycle. Alternates will not be commissioned without approval of the Deputy Chief of Naval Operations (Manpower, Personnel, Training and Education) (N1) or OPNAV N13 through the ADP process. Enclosure (3) contains discrete selection requirements to be considered for specific designators.
3. Eligible candidates may apply for both LDO and CWO. If selected as a primary or alternate, the candidate's name may appear on either the LDO or CWO primary/alternate list, but not both.
4. Selection to the full quota of either primary or alternate numbers, within specific designators, may not be possible if the board finds there are not enough fully qualified applicants. After the board has submitted its report, N1 may move candidates recommended by the board as alternates to the primary list within the same designator as needed. Transferring primary or alternate quotas by the board from one designator to another is not authorized.
5. Release of quota numbers to non-selection board members is not authorized until after the board has adjourned. In addition, disclosing the name of alternate selects not moved to primary status is not authorized at any time.
